

PRESS AGENT® LIQUID STARCH

PRESS AGENT® is an all natural, bulk liquid starch for finishing garments at the dry cleaning or laundry press. PRESS AGENT gives garments a smooth, pliable finish and adds body without stiffness. PRESS AGENT is an economical and stable sizing agent and does not require mixing or dilution.

In Wet Cleaning - add to the final rinse to restore a light, crisp feel.

At Finishing Station - Trigger spray or run through pressure delivery system to give fabrics a crips finish. NO messy mixing and NO clogging!

PRESS AGENT IS NOT RECOMMENDED for silk or rayon.
