

Faultless®

Announcing New

d-GREASE PLUS™

Now a ***more powerful*** combination of solvents and surfactants, **d-GREASE PLUS** adds ***more cleaning power*** to your laundry process - ***emulsifies more oils and grease*** in the wash wheel.

- **A new dynamic blend of citrus & other powerful solvents** for better emulsification of more oils & greases
- **Cutting-edge surfactant package** to better aid detergency and remove soils completely
- **Safe** – Safe to handle and use on most fabrics in any wash process
- **Fast** – Works and rinses during your normal wash process
- **Economical** – Saves more time and \$\$\$ by eliminating pre-scrubbing and costly reruns

New d-GREASE PLUS - Complements ***all*** our Detergents and Wash Systems.

New d-GREASE PLUS - Better for those tough jobs or as a supplement to your normal operation.

Normal Usage: 2 – 4 ounces per 50 lb.

(Please consult your Faultless Representative for specific usage requirements)

Packaging: 1-gallon jug, 5-gallon pail, and 15-gallon drum

PC16590 - 4/1-GALLON CASE

PC16595 - 5 GALLON PAIL

PC16597 - 15 GALLON DRUM

Faultless Starch is pleased to offer this ***Powerful and Innovative Product*** to the Laundry Industry. Please consult your ***Distributor or Faultless Representative*** for more information or ***Product demonstration.***
