

Faultless Instant Starch

The Industry Leader in a pre-cooked Laundry Corn Starch for a Super Finish

From a light, crisp finish to “bulletproof” stiffness, **Faultless Instant** provides a commercial laundry operation the ability to exceed expectations and ensure Customer Loyalty.

- **For use in a wide range of conditions**
- **Quickly dissolves and disperses in washwheel**
- **Maximum penetration into fabrics**
- **Excellent stiffness and hand**

Ideal for use on:

- Table Linens
- Shirts
- Chef Coats, Aprons
- Sheets

Suggested Usage Guidelines (per 50# dry weight)**:

- 4 – 6 oz.
- 4 – 8 oz.
- 8 – 12 oz.
- 2 – 4 oz.

**** Quantities can vary depending on customer or regional requirements**

For Best Results:

1. Fabric should be clean and pH of bath should be slightly acidic for optimum penetration (5.5 - 6.5)
2. Add direct to the wheel or through supply pocket with cold water and adequate pressure
3. Low to medium water level with normal agitation
4. Bath temperature 90 – 115 degrees; Duration 8 – 15 minutes depending on usage

Economical to use; Superior hand and Signature Fragrance.

“...It’s not right until it’s Faultless!”

Product Code
15000

Packaging
50 lb. Bag
